NEGOTIATIONS UPDATE

Dear Brothers & Sisters:

Your Negotiations Committee met with the Company from November 5 through November 9, 2012 to try and negotiate a new Collective Agreement.

Your Committee was able to address some of the non-monetary Agenda items but unfortunately they were unable to come to an agreement with the Company on the monetary issues. The parties had different views on the monetary items and since the parties were so far apart the IAM & AW has asked for the assistance of a federally appointed conciliator.

The parties will reconvene in the early part of January 2013 to try and conclude Negotiations. The Committee will be giving regular updates as new information becomes available.

I would like to take the opportunity to thank the Membership for their solidarity and support during these difficult times.

In Solidarity,

Keith Aiken, General Chairperson
Transportation District 140, IAM & AW
