## TO ALL IAM & AW MEMBERS

**Servisair – YEG**

### Temporary Assignment

**January 3, 2013**

Dear Brothers and Sisters:

Prior to the holidays, Servisair approached the IAMAW, in Edmonton, for permission to allow out of town help due to staff shortages during the holiday rush. There was an agreement made for limited out of town help to come in until January 3, 2012. The Union has come to find out, through the membership, that the Company has made plans to bring in extra staff without consultation. Management went directly to the membership making inflammatory statements “that they are going to bring in staff whether we like it or not”. Please be advised that, until further notice, we are strongly discouraging members from taking out of town assignments to Edmonton. I would like to take this opportunity to thank you for your solidarity and support at this time.

In Solidarity,

Keith Aiken, General Chairperson  
Transportation District 140, IAM & AW
