Online Voting Registration

February 22, 2024

Brothers and Sisters:

During the 40th Grand Lodge Convention, the delegates determined that online voting would be allowed for any non IAM Constitutional matters. LL1681 has made the decision to implement online voting where applicable.

To that end, one of the first steps will be to collect member information needed to register members in the online voting system. We are asking members to scan the QR code below or follow this link (<https://forms.office.com/r/3Ee2Uh5qbL>) and provide the information on the form.

Ensure the information you provide is accurate and only complete the form once. In situations where online voting is used, **no physical polling locations will be available**. It is therefore important that you register yourself if you wish to participate in the election.

If you have any questions please speak to the undersigned, a member of the executive or any member of your shop comm.

Thank you for your assistance and participation in YOUR local lodge.
